PS Food Mart Fights Hunger in Michigan and Ohio

Local Citgo & Sunoco Marketer Hosts Eighth Annual Pop-Tarts® Fundraiser to Benefit Local School Back Pack Programs and Food Pantries

Folk Oil Company and 35 PS Food Mart locations in the Toledo, Ohio area and southern Michigan have initiated the eighth annual PS Food Mart Kellogg's Pop-Tarts® fundraiser to support local food pantries and after school backpack programs. Between October 2nd and October 31st, customers can visit their local participating PS Food Mart station to purchase and donate Pop-Tarts to a local cause chosen by each PS Food Mart.

"We had a record-breaking fundraiser last year. We hope to have even greater success this year as we help fight hunger in our community," said Dick Folk, CEO and President of PS Food Mart.

"As we approach the colder months, it is important to make sure our local schools and food pantries have enough nutritious food for the less fortunate who depend on these resources.

Our customers are truly outstanding in their willingness to give. We are grateful that they continue to support this campaign each year."

During the month-long event, PS Food Mart customers are encouraged to purchase two Pop-Tarts for \$1 or one box of Pop-Tarts for \$3 and any amount purchased can be donated. Last year, our customers donated more than 118,000 Pop-Tarts through the annual fundraising campaign.
